2022

## **IMPORTANT NOTICE**

Please note that this list has been drawn up by the Services of the Commission for information purposes only and is in no way binding on the Commission, as a whole, or on the individual Member State of the Union. Details should always be checked with the national administration concerned.

Please note also that it cannot be guaranteed that an on-line available document available on-line exactly reproduces an officially adopted text. Only the Official Journal of the European Union (its printed edition, or since 1 July 2013 its electronic edition made available on the EUR-Lex website), is authentic and produces legal effects.

Furthermore, since this list is published annually, it cannot include all legislation which would enter into force after its publication. Consequently, the information contained in this publication may be subject to change during the year.

It is possible to consult the legislation on the EUR-Lex website: <http://eur-lex.europa.eu/homepage.html?locale=en>

Additional information can also be found on the TARIC and QUOTA web-sites of the Taxation and Customs Union Directorate General (see below):
